**Introduced by Assembly Member Harkey
(Coauthor: Assembly Member Torres)**

February 19, 2010

An act to add Division 4 (commencing with Section 13900) to the Insurance Code, relating to risk pools.

LEGISLATIVE COUNSEL'S DIGEST

AB 2327, as amended, Harkey. Affordable housing: risk retention pool.

Existing law authorizes local agencies to enter into a joint pooling agreement to form a single statewide insurance pooling arrangement for the payment of tort liability or public liability losses incurred by those agencies.

This bill would authorize an affordable housing entity, defined to include affordable housing entities that are created under the laws of another jurisdiction or organized under the laws of another state, to join with one or more affordable housing entities in an arrangement providing for the pooling of self-insured claims or losses, as specified. The pool would be authorized to be organized as a nonprofit corporation, limited liability company, partnership, or trust, whether organized under the laws of this state or another state or operating in another state. The bill would prohibit the pooling arrangement from being considered insurance

or being subject to regulation under the Insurance Code, and would require written notice to be given as specified.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Division 4 (commencing with Section 13900) is
